CONVENTION-MARRIAGE OF A MINISTER-DISCHARGED FROM CUSTODY-CITY POLI-DISCHARGE CORNER-STONE ANNIVER SARY CELEBRATION. [Correspondence of the Richmond Dispatch.] SEPTEMBER 24, 1879.

Among the names to be brought before the Chesterfield County Convention to-morrow for nomination for the House of Delegates, I understand, is that of Mr. J. R. Jones, an old and worthy citizen of Ma-McCulloch bill, and very popular in this section of the county. Rev. E. P. Wilson and Rev. W. G. Lump-

kin left this afternoon for Hicksford to offitate at the nuptials of Rev. L. A. Guy and Mrs. Dr. Weaver. Mr. Guy was last year pastor of Wesley Methodist Episcopal anel, in this city, and now has charge of the church at Hicksford. During the interim between the July and

this city eighty-one deeds were admitted to record in the clerk's office. No term of the court was held in August. Charles Moore, the stranger who was arested several days ago on suspicion of ingbrook Hotel last Friday night, has been

discharged by the Mayor. The evidence was not sufficient to justify conviction. it seems to be pretty well understood that Messis, F. H. Archer and Charles A. ckson will be the only candidates before he people of Petersburg for nomination the House of Delegates at the primary election on the 30th of September. There no doubt of their nomination if such is be case, and it is believed they will be elected by a bandsome vote.

The recent election of delegates in Prince George county has thrown matters somewhat in the dark as to the nomination for the Senate from this district, and under the circumstances it is hard to forecast what the result of the Convention will be. Petersburg will elect delegates on the last day of this month.

The corner-stone of the new Wesley Methodist Episcopal church, on Halifax treet, will be laid on Tuesday the 8th of October with religious and Masonic ceremonies. It is understood that Judge Wellford, of Richmond, will assist in the Masonic part of the ceremonies.

The Petersburg Grays to-day celebrated the anniversary of their organization by a dress-parade through the principal streets. C U T I C U R A To-night they will partake of their annual supper, to which a number of guests have been invited. ROBIN ADAIR.

A resolution inviting the cooperation of women in the work of the party was warmly discussed. Quite a number of delegates opposed the introduction of the woman's suffrage question. One delegate, Mrs. L. M. Warner, objected to the resolution on the ground that women had work to do before being entitled to vote. The resolution, however, was passed by a rising vote.
